8:01 PM **me**: coincidentally
the movers are here for Mirna's stuff
8:03 PM as we're moving up on out of here
and she made the mistake of hiring blacks
not West Indian blacks
but American blacks
8:04 PM one of whom showed up an hour late because he had a headache, he says
on the plus side, one of them gets triple-stacked E from Miami
says he'll hook me up
I'm gonna take em with Asian chick, fuck, and write about it

46 minutes

8:51 PM **Caleb**: Dude!
Sex!
Where're you guys moving?
